## "STUFF" to Know

Thursday, December 13<sup>th</sup> we will have a class party. We will be doing some fun activities and eating some goodies. *See attached sheet for more details!*

On Friday, December 14<sup>th</sup> our class will be having our PJs and a Movie Bash. We will have a fun day by going to the movie in our PJs and returning to school to have lunch in our classroom.

All you need to do is simply wear your PJs, and if you want, bring your slippers, (wear shoes). If girls choose to wear a gown, please be sure to put shorts or leggings under it. There is NO NEED to buy anything new to wear just for this day. However, do consider warmth and discretion when choosing what your child will wear. As I mentioned above, we will begin our day by going to the Tri-County Cineplex to watch The Grinch. Please see the attached information letter for details about the movie.

## Santa Sack

For the past several years, I've done "Santa Sacks" instead of an individual gift or book exchange. This has gone very well, and no one leaves with hurt feelings because everyone has similar things in his/her bag. In order for this to work, we need your help! I am asking that each child bring 21 inexpensive little "bag stuffer" party trinket type items. The possibilities are endless; however, ***please do not send food, candy, or pencils for the bag.*** The dollar stores are excellent places to get items like this. Please DO NOT spend a lot of money for these items.

**SPECIAL NOTE:** If you choose to purchase gender specific items, ***we have 9 GIRLS and 12 BOYS.*** You may send the items in anytime between NOW and December 11<sup>th</sup>.

## "Ideas" for Santa Sack Items

Over the years parents have been very resourceful about sending in great items that are cost efficient. Below is a list of **suggestions: Please do not send food, candy, or pencils for the bag.**
