Homework

Beginning this week, children will have handwriting homework. A homework packet will be sent home weekly on Monday for your child to practice correctly and neatly forming letters and numerals. We have been trying to integrate this into daily work, but there has not been much change in proper formation and neatness. The additional help is greatly appreciated.

Cooler Weather Recess

I know that many children do not like to wear coats, but as the cold weather appears to have arrived, I want to encourage you to send a coat for outdoor recess.

We will go outside, if only for a few minutes, in cooler temperatures.
40 degrees or above is my general rule.

November Snack Schedule

- 11/8 - NO Snacks Needed
We have snacks that we needed to use up before they become out dated.
- 11/12 - Mallory, Aiden, Jacob, Maddox & Gabby
- 11/19 - Cami & Easton
- 11/26 - Tag, Joshua W., Karson, Julia & Joshua C.

I'd like to thank you for individually bagging snacks! Instructional time does not permit me to divvy the snacks to the children individually, so making sure ALL snacks are pre-packaged either from the store or home really helps us!
By doing it this way, the kiddos can come by the snack basket to self-select a snack and get right to work.
(BIG time saver - THANK YOU)

Words cannot express the gratitude we have for all the help in making our Fall Celebration a tremendous success!

I realize that we did not ask for assistance from everyone for this particular event, but rest assured, will with other future events.

With the high level of participation from ALL of you this year, we will more than likely not need everyone to send or volunteer for every event.

Simply put, we appreciate EACH and EVERY parent and child in our class! Y'all are GREAT!
